

LACROSSE INFORMATION SHEET

2017 marks the first year for the Concordia Lacrosse team. The team will be in a new division with other Division III schools with new teams also created or founded within the last two years.

As this is a new team for Concordia in an up and coming sport for the TX region, recruiting will continue up and through the beginning of the season. Potential players are encouraged to come and pick up a stick and perhaps discover a new sport we are sure they will love.

Practices typically begin in Nov. or Dec. and the competitive game schedule runs from Feb through April (see the [Texas High School Lacrosse League](#) link information below for current schedule). Currently practices and games are held during the week and there is no weekend obligation.

The coaching staff consists of Jeff Anderson, Chris Gillen and Turner Harris. Each of the coaches comes with years of experience playing at the collegiate level and coaching in high schools or for private clubs.

All primary lacrosse gear is provided except for cleats. A membership in US Lacrosse (\$35 at uslacrosse.org) is required to provide insurance.
